- *Residency requirement 25% of the program (15 credit hours) must be completed at Herzing University.*
 - *All students must complete course PD 125 in lieu of PD 121.*
- **ADDENDUM, effective September 15, 2022. The accreditation status for the Minneapolis location Occupational Therapy Assistant (AAS) program:**
7. The occupational therapy assistant program has been granted a status of Accreditation-Inactive by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its Web address is www.acoteonline.org. This status indicates that the program is not currently enrolling new students and does not plan to enroll new students in the future. While the program is on Accreditation-Inactive status, the graduates of the program will be eligible to sit for the national certification examination for the occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure.
